Field Lane Primary

Prospectus

Hello!

Welcome

It is with great pride that we welcome you to our wonderful school. We always strive to deliver a stimulating, vibrant and creative environment for all, where our pupils continue their education outside of the school, and become lifelong learners.

We want our pupils to have an interest in the world around them and for that interest to lead to a fulfilling and imaginative life. Our MIRROR values form the basis of our school's ethos.
These values of Motivation, Integrity, Resilience, Respectful, Open minded and Reflective are used to establish positive working relationships between pupils and staff.

By working together, we can jointly ensure that each pupil makes progress every day, allowing them to achieve academically and develop into well rounded children who contribute positively in our society. Whilst academic achievements are important at our school, in equal measure, all our pupils are provided with the opportunities and experiences to become well rounded learners.

Our pastoral care is exceptional, ensuring that all pupils are kept safe and are supported both inside and outside of school. With this prospectus, we aim to give you an insight into Field Lane Primary School & Highbury School's character, ethos and values. For a more detailed view, please get in touch with us. We are always happy to show the school 'in action' and to answer any and all questions you may have.

Best wishes

CEO Welcome

Polaris Multi-Academy Trust

We are proud to be part of Polaris Multi Academy Trust, a family of schools working together to provide the very best opportunities for every child.

I would like to introduce you to the Polaris Multi-Academy Trust, a family of schools that enables everyone in the Trust to be the best they can be, while ensuring that each school's unique DNA provides a platform for the success of the children and young people we educate and care for. Its vision is for everyone in the Trust to have the confidence, resilience and aspiration to reach their potential. These ambitions are underpinned by three shared values: we have high expectations; we are honest, compassionate and fair; and we are curious, embracing learning and new ideas.

Being part of Polaris means benefiting from the strength, expertise and support of a wider family of schools while retaining the character and identity that make our school special. Collaboration is central to our approach, with colleagues sharing knowledge, ideas and expertise to continually improve opportunities for our children.

Growing

Starting Reception is made as smooth, positive, and exciting as possible for both children and parents. Families are supported through close communication with nurseries and preschools, open events, visits from the Reception team, and transition sessions. These give children the chance to meet their new teachers and classmates, explore their classroom, and become familiar with their new environment, helping them feel confident, comfortable, and ready to start Reception in September.

Teaching and Learning

Early Years learning is play-based and child-led, with the classroom designed to feel familiar to a preschool environment. Children learn through a range of indoor and outdoor activities, such as role play, reading, creative activities, maths, construction, sand, and water, while EYFS staff support and extend their learning. Alongside play, children also have focused lessons, including phonics and maths.

Enrichment

The school offers a wide range of enrichment opportunities to give all pupils access to new experiences. These include school councils, sports roles, play leaders, and reading buddies, which help children develop social and transferable skills. Children also take part in visits and trips to places such as museums, theatres, exhibitions, workshops, outdoor centres, and local places of interest.

Values

The school focuses on developing the whole child by supporting their mental and physical well-being. Its MIRROR values encourage children to become Motivated, have Integrity, be Respectful, Resilient, Open-minded and Reflective, helping them grow into responsible and caring members of the community.

Our curriculum

Our ambitious, inclusive curriculum helps every child become a confident, independent, and successful learner. We nurture the whole child, prioritising academic achievement, personal development, safety, and wellbeing. We encourage children to respect themselves and others, care for their environment, follow community rules, strive to be their best selves, and make a positive contribution to society.

Uniquely Inclusive Community: Field Lane & Highbury School

Our colocation and close partnership with Highbury School is at the very heart of what makes Field Lane so special. For families looking for a mainstream primary school with exceptional inclusive provision, our shared site creates a uniquely supportive environment. We combine a rich mainstream curriculum with specialist expertise, shared resources, and a deeply compassionate community. This ensures that children of all abilities and learning styles grow up side-by-side, naturally fostering empathy, mutual respect, and a place where every child is uniquely known, valued, and supported to thrive.

Special Educational Needs & Disabilities

We strive to include every child and meet their individual needs. We aim to identify additional needs as early as possible, working closely with parents and external professionals to provide appropriate support. Our trained staff build positive relationships and help remove barriers to learning, ensuring every child has the opportunity to reach their full potential.

Early Years at Field Lane School

Exceptional Early Years: High-quality education in a nurturing, engaging environment where every child is known, valued and supported to thrive.

A Caring and Supportive Environment: We provide a welcoming school environment where children feel safe, build confidence and develop positive relationships, supported by a team dedicated to their individual needs and progress.

Learning Through Exploration: Indoor and outdoor learning are integral to our Early Years provision, giving children opportunities to play, explore, investigate and discover the world around them while developing essential skills and a love of learning.

A Positive Start to School Life: Our Early Years provision gives children a strong foundation for their educational journey. Through engaging, play-based experiences and supportive relationships with staff and families, we help children develop the confidence, independence and skills they need for the next stage of their learning.

Reception Admissions: We welcome families exploring Reception places at Field Lane Primary School. Our Early Years team works closely with parents and carers to help children feel secure, settle into school life and make a positive start to their learning journey.
